

Tool Stack - Media Kit

<https://toolstack.page> | <https://www.linkedin.com/company/toolstack-reviews>

Independent review site covering AI and productivity software: writing assistants, transcription, meeting tools, voice generation, video editing. English-language, Europe-based (Germany). Content is AI-assisted, human-edited, fact-checked; reviews are updated when features and pricing change.

Content & publishing

- 5 in-depth articles live (reviews + ranked comparisons); new article published daily since launch (September 2026) - 60-topic editorial queue in AI and productivity software
- Formats: hands-on reviews, ranked roundups, per-tool pricing and feature analysis; affiliate links disclosed on every page

Audience

- Brand-new domain (launched September 2026): traffic at growth start; readers arrive via Google search on buyer-intent keywords
- Target readers: small businesses, freelancers, and independent professionals evaluating SaaS tools

Cooperation options

- Affiliate placement: disclosed tracking links, recurring commission preferred; no paid-search bidding, no coupon distribution
- Sponsored content and custom collaborations: rates on request
- Cases welcomed: sponsored reviews, guided tests with comped vendor accounts, co-created comparisons

Contact

- LinkedIn message to the company page, or see <https://toolstack.page/impressum/> for the business contact.
